Te wo Tsunaide, Koi wo
Chapter 2

Nagashima
has been
watching
Tatsuru
sneak
off alone

He wasn't
envious of
my anchovy
egg

He was
jealous of
me being
close to
singles

How
freaky
sailing

What am
I thinking
here...

.....

Well, no it
first year I
am really no
match for the
senpai who
is club
president!

But I'm
sure to
see it
through to
the end

I'll beat
senpai and
come closer
to

?

Hey,
he still
hasn't given
out the
training camp's
orders of consent,
right?

Hahaha
senpai, I
recall

Momoi
Sakaya!

Yes—

Good morning

Alone
moment

Where were you
this morning?

Ah, I went to
the canteen.

As soon as
he spoke
Takuma
noticed he
starts
smiling

Sekaiya!

The more
I look at
it the
more
obvious
it is—
How
could
I have
ever
mistaken
it for
something
else

...coming

It's a good morning!

What are you spacing out for?

Huh?

!

You sure what just happened?

...

How do you two made up?

I don't know anything!

What did you do again to make it like that...?

Hurry
up and
get along!

Sekiya's a
good guy

I'm
doing my
best :)

I apologized
yesterday!

But maybe
you're
not clear
enough

...

Hikaru
again!

Ah!

Is Sekiya
angry
again?

Good
morning!

...

I'm leaving first!

Good night

Be-careful!

You two go home together, kay?

Sigh

Now

Hold your hands!

(sings)

!?

Please give us a break already script

Saka

No can do

The club manager's a pretty good guy to get it all done here

Don't forget your swim wear

What's going on...

Is that so

So Adam, Setiya... training camp is gonna be fun, huh?

There's a river behind the dam so we can go for a swim!

Setiya

Since a while ago...

...he's been holding my hand so firmly.

Well you two

See you tomorrow!

Does it
even matter
to you
what I
think?

Er?

Let go!

Back off!

Ah-
...

Ah!

This
is...

You do
anything he
says
obediently?

To become
friends with

Just cause I do ...
he tells
you to.

But
that's

It's natural
ain't it?

Why the
hell is he
avoiding
you?

Eh? Sakaya
left early
again?!

Okay,
last
one!

Make sure you drink enough liquid!

Right in the afternoon I'll wait for every one of you individually!

It's not

Wanna go take a look at the other first years in the afternoon?

Sakuya!

You're at really great shape!

Lunch time!

Everyone take a break!

It's because I want to catch up to you, senpai!

You're earning the results of your hard training!

You worked hard!

Let's go get the food prepared!

You don't say! And despite being a first year!

But can you really do it?

Aha ha ha!

Hey
Sekuye

That's
not
it.

But you
know, you're
avoiding
him

So...
it's not
working
out with
Akira after
all?

...

No

That's
not
the
reason

I'm
wondering
if it was
wrong to
force you
guys to get
closer?

You should
try hard and
become friends
with Akira.

Wait
there

I'm
graduating
next year so
I'm worried
about him.

Him and I
we've
always been
close.

I wonder if
that's why
he doesn't
make many
friends around
his age.

Sekito

Is
is that so
?

Do you not
want to have
to bother
about Akira
anymore?

You really
shouldn't
talk like that
about a high
school student.

And
especially
not talk
behind his
back.

.....

...

Everything's
your fault.

It's because
you are
there.

And that I'm
feeling
this way
towards
Mogashima
too.

.....

I will not
be defeated.

I want
to become
good
friends with
him.

Everything's
fine. You
don't have
to worry.

I'll leave it
to you then

I see

And you
can get
started
now -!

You
two are
on veggie-
pooling
duty!

You
guys
do
the rice
and the
meat!

It's too
obvious

Water

I'll
use the
kitchen
knife

Potato?
Is that
what they call
this thing?

It's not
cutting at
all

Is this
potato
really or
something?

Huh?

It's not
something
to look
out over!

Yeah

I've done it
at home
before.

The
knife's
imazing

Y... Yeah!

You use a
kitchen knife
to peel
a potato?!

Really?

Tabumi
sensei is a
childhood
friend right?

Since
it's just
my mom
and me
I sometimes
make the
dinners

Bo-

Don't say things like "body"

You've cut his body into perfect shape!

This part looks like a face!

Really?

Gross!

Sengai the guys over there are fighting

(You two just looking?)

...is that so?

Sekoya

Sekoya!!

Seems you two got along really well just now!

night

Eh?

But
why!!

The
moon's
still sort
of bad

I won't be
defeated

On the
first day
of camp

Alone

Serp-

Got it

Now sleep, Akira!

Well if you need anything call me on my cell phone

~

I'm sorry Sakya... keeping you from practice...

It's okay not to make such an uneasy face...

It's alright

Gotta think of something else...

Hm?

Sakuya

You do this and you don't even like me...

Thank you...

Yuu...

That is
Tokuomi
senpai's
first
name

That's
right

Always

You're
always just
Tokuomi
senpai for
you.

Why
would there
be something
between
you and I?

I don't
even
understand
it myself

All I ever
think about
is you

And I know
that all you
ever think
about is
serpents

To be continued
